

Reissue Application Serial No. 10/803,198
Atty. Dkt. No. ICB0166

REMARKS

In response to the Notice of Allowance mailed April 10, 2008, Applicant makes the following Comments on Statement of Reasons for Allowance presented by the Examiner in the Office Action of February 2, 2007, at 6, line 1, to 8, line 9. The Examiner's Reasons for Allowance are directed to claims that have since been amended. Furthermore, the Examiner's Reasons for Allowance paraphrase the language of the allowed claims, and, therefore, may mischaracterize the allowed claims. Therefore, to the extent that the Examiner's Reasons for Allowance mischaracterize the allowed claims 1-9, 12-34 and 37-43, Applicant objects. Nonetheless, Applicant agrees that the claimed invention would not have been obvious at the time the invention was made, and that the invention recited by claims 1-9, 12-34 and 37-43 is neither anticipated or obviousness in view of the prior art of record.

Questions are welcomed by the below signed attorney of record for the Applicant.

Respectfully submitted,
